**Team-One Employment Agency, LLC Speaks Out About Alleged Insurance Fraud Amongst Employment Agencies.**

**Los Angeles, CA – 05 November 03** – In response to the *LA Times* article regarding Checkmate Staffing, Inc’s alleged insurance fraud, Frank Moran, President, CEO, and owner of Team-One Employment Specialists, LLC is extremely disappointed and outraged about this occurrence.

“This paints our industry in a horrible light,” says Mr. Moran. “As Team-One is a privately-owned, minority employment agency as well, I understand that this is a terrible situation for Checkmate Staffing, Inc, but more importantly, for their clients.”

“I want to ensure our clients and the State of California that this abuse of the system is not a common practice amongst employment agencies. We [Team-One] are glad that this situation was discovered in order to protect local companies and our industry in general,” states Mr. Moran.

Team-One protects its clients by providing A-rated insurance coverage, paying all of its associates above minimum wage and immediate health benefits, and by aggressively investigating all workers’ compensation claims.

Locally owned and operated, Team-One urges companies to verify the insurance coverage and financial solvency of their employment agency. “Companies who do not, put themselves at risk,” says Mr. Moran. “Adequate and accurate coverage requires vigilance on both our [employment agencies] and the clients part.”

Headquartered in Los Angeles, Team-One Employment Specialists, LLC is a local, privately held company providing temporary and fulltime employment services. Team-One was recognized among the nations top 500 Hispanic-owned companies with average revenues exceeding \$35 million.
